Your institution is required to maintain compliance with the CEC and CCRs of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Now that your institution is approved to operate, it is highly recommended that a representative from the school attend one of the Bureau's Compliance Workshops, which are held in locations across the State. These workshops are designed to provide institutions with information and guidance on how to remain in compliance with Bureau laws and regulations. Please refer to the attached flier for additional information regarding the workshops. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional assistance on this matter, please contact me at 916-431-6953 or by email at Marina.O'Connor@dca.ca.gov.

Sincerely,

Marina O'Connor
